

PatentFax™

Cloud delivery of worldwide dental patents

PATENTFAX

- **SAVES YOU MONEY**
 - PatentFax is only \$300 a year. A patent database costs over \$5,000 a year.
- **PROTECTS YOUR FIRM**
 - The vast majority of lawsuits in the dental industry are about patent infringement – protect your company!
- **PROVIDES COMPETITIVE INTELLIGENCE**
 - By seeing the patents issued to your competitors, you will have insight into potential competitive product developments and/or potential technology licensing opportunities

As a subscriber you will receive the complete list of dental patents and the PDF files of each complete patent every month. Typically, there are 150 to 175 monthly worldwide dental patents.

PATENTFAX is the ONLY service of its kind in the worldwide dental industry. For only \$330 a year, you cannot afford NOT to subscribe to this innovative service.
